Product Overview

Thank you for purchasing our
Suprabeam Q1.
It combines micro size and extreme
power making it ideal for precise and
professional use.

We do our best to make the products
meet our high standards.

Should you unexpectedly encounter
problems with the product, please
contact your local Suprabeam dealer.

Dispose this product in an environmen-
tally compatible manner in accor-
dance with national regulations, if in
doubt about correct disposal please
contact your municipal authority that
can provide information about correct
disposal.

We highly recommend using
Premium type batteries only to
ensure high quality light output and
long lighting time. We can not guar-
antee the light data if using battery
types of lower quality

*To protect the environment, this
product is compatible with
rechargeable batteries 1.2-1.5V
(not Li-Ion 3.7V)*
